

****Privacy Policy****

****Walk Flower: Daily Step Counter & Pedometer****

****Effective Date:** 03/24/2025**

1. Overview

Walk Flower is built to prioritize privacy. The app does not require an account, does not collect personal information, and processes activity data directly on your device.

2. Data Collection

****We do not collect personal data.****

The app accesses the following ****device data only****:

*** **Motion & Fitness Data (Steps)****

Used exclusively to:

- * Track daily step count
- * Animate flower growth and progress
- * Display activity history

*** **User Preferences****

- * Selected flowers
- * Color customization

All data remains stored ****locally on your device****.

3. Data Usage

Your data is used strictly to provide core functionality:

- * Visual progress (flower growth stages)
- * Daily goal tracking
- * Historical step summaries

No data is used for advertising, profiling, or tracking.

4. Data Sharing

****We do not share any data with third parties.****

- * No analytics SDKs that track personal activity
- * No advertising networks
- * No data brokers

5. Tracking

****Walk Flower does not track users.****

- * No cross-app tracking
- * No third-party tracking technologies
- * No identifiers used for tracking

6. Data Storage

- * All data is stored locally on your device
- * No cloud sync or external storage
- * Deleting the app deletes all data

7. Permissions

The app may request:

- * ****Motion & Fitness Activity****
Required to count steps and power the app experience

Permissions are used only for functionality and can be disabled anytime in system settings.

8. Apple App Store Privacy Details

In accordance with Apple's App Privacy requirements:

- * ****Data Linked to You:**** None
- * ****Data Not Linked to You:**** None
- * ****Data Used for Tracking:**** None

9. Children's Privacy

The app does not knowingly collect personal data from children and is safe to use without providing any personal information.

10. Security

Because all data is processed and stored locally, exposure risk is minimized and relies on your device's built-in security protections.

11. Changes to This Policy

This policy may be updated if app features change. Updates will be reflected with a new effective date.
